

## **Pointfight Seminar with Reuben Charlesworth, 24.06.2017, Hard (AUT)**

Last Saturday, our 15 times World Champion Reuben Charlesworth and his father Jason Charlesworth visited Austria, to teach two Pointfight Seminars-one for Kids and Adults. The "Leistungszentrum Vorarlberg" was full of participants: 20 people from 3 clubs trained hard and learned new skills for both training and competition. Reuben showed everyone that for good results, you do not only need talent but also many practice. Thank you for teaching this seminar, we learned so many new things and are definitely trying some of them at our next fight !
