what a Fight NightBoomm....one Ring & one Cache – and it works easy and successfull hand in hand. We have had 3 Titlefights in the Ring. It starts with the NMAC AUSTRIAN TITLE in ORIENTAL BOXING men -75kg. Titleholder Kristijan Kusmanovic (SRB) against Salijad Mortezaei (IRA) they fight 3 rounds 2min and it was one of the best fight at this day. They fought hard, clean and very fair – at last wins Mortezaei by points.

The next battle was the WMAC EUROPEAN CHAMPION PRO AM in K1 men – 90kg. Here we had 2 very taff fighters - Jeton Asani (ALB) against Sebastian Trabitsch (AUT) which was very hungry for the European Title. It goes 5 rounds 2 min and it was a blast. Bouth fighters was very hard and very close... Top fight with a split decision for Sebastian Trabitsch = the NEW Titleholder.

The last fight was the WKU WORLD CHAMPION PROFI in FULL MUAY THAI . The Titleholder Kamon Chetphaophon (THA) against Leo Ounok (AUT) this fight was just a WAR. It was the hardest fight and in the 3. round the Titleholder became a cut over the right eye ... they fight all 5 rounds but the decision was clear for Ounok - he leads the hole fight and wins clear the World Title. The Show was exellent organised and around 2000 people stayed for all fights. Amazing Event thank you Harald Fass for promoting this Event.
