RESUME

This Games showed us that the hard work in the last year was more than successful. We are very proud to have such a big family on this tournament. No politics, no racism, no religion – only sport in all different kinds. That is for what we stand for - WMAC!

ATHLETES

This Games brings up a lot of great persons and it is very difficult to bring all Athletes in the FRONT. Here are the specials:

✓ **Handicap Division**

Let us bring all people in our middle, so Achim Haubennestel GERMANY and Thomas Lang AUSTRIA give us a wonderful moment!

✓ **Men**

For us it was the GERMAN Marvin Dibke with 7 Gold medals in the Form Divisions and Peter Raymond from USA, he was also the best in his Combat and Forms Divisions !

✓ **Women**

It was very difficult so we close together Patricia Berlinger SWITZERLAND and Laura Folladori AUSTRIA, which won all there Divisions!

✓ **Grand Champion**

The Best of the Best goes to ENGLAND - with Charlesworth Rueban in the Combat Division and to Mohammad Nur Rezai in Forms!

✓ **Best Club**

Best Club was Team Chris Sparkes from WALES, followed by Team WSJO POLAND from Tomasz Guja!

✓ **Team of the Heart**

The Team of the heart was Team ITALY, which come in the mind of the tragedy of earthquake ...it was a big honour to have you here. Also IRAN with very special moments!
