WORLD MARTIAL ARTS COMMITTEE

Rules & Regulations

January, 2018

Dear Reader,

We are very pleased to release the 4.4 version of the Rules & Regulations governing the World Martial Arts Committee. This is definitely the most comprehensive Mixed Martial Arts Tournament Rule Book available today, and we are proud to make it available for your use. It was only made possible by the hard work and dedication of individuals from around the globe. In particular we would like to thank all individuals for their special contributions to this addition.

All rules and regulations contained within this document are intended for use at WMAC sanctioned events. In this case, they must not be deviated from, except in extraordinary circumstances and with the written permission of the IRC or Chief Referee (Supervisor) of the tournament. The Chief Referee's interpretation of these rules will be the only interpretation accepted in the event of a query/complaint regarding correct implementation of any rule (IRC).

The World Martial Arts Committee Rules and Regulations may also be used for non-sanctioned events. In this instance, we would ask that the promoter or user of these Rules & Regulations include the following line in their promotion "This tournament will be governed by the current Rules and Regulations of the World Martial Arts Committee."

The World Martial Arts Committee Movement is constantly evolving. And as we continue to grow our membership and expand our events, our need to revise the Rules and Regulations will continue. Please check back with us periodically to ensure that you have an up to date copy of our Tournament Rules and Regulations.

Yours truly,

A handwritten signature in blue ink, appearing to read 'Harald Folladori', written in a cursive style.
